

If a child is hitting your child, you can say:

Please don't hit my child.
OR
Stop hitting my child.

Read the situations. What would you say to the child?

1. A child pushes your child.

2. A child calls your child a bad name.

3. A child spits at your child.

4. A child throws rocks.

5. A child bites your child.

6. A child takes a toy away from your child.

7. A child throws trash on the ground.

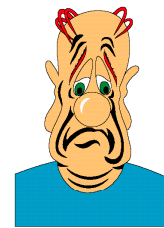

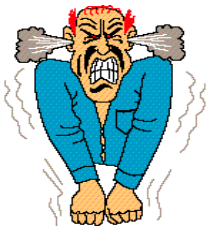

8. Two other children are fighting.

What are other bad things that children can do? What do you say?
